14. **Questions:**

**(a) Questions submitted by Dep. J. O’Sullivan:**

*“With regard to St. Camillus’ Hospital, what progress has been made on the commitment to extra nursing staff in the 2002 Service Plan; what is the current number of long-stay beds and what was the occupancy level of these beds from January to April, 2002?”*

**(b)** *“To ask what provision is currently available to assess children for Autism. Why the assessment that was in place was discontinued and what advice is given to parents who have reason to believe that their child may be Autistic?”*

**(c) Question submitted by Cllr. K. Sheahan:**

*“To ask for up to-date on proposed private hospital for Dooradoyle?”*

**(d) Question submitted by Dr. D. Clinch:**

*“Can the Board please be advised on when Departments of Speech Therapy and Occupational Therapy will be commencing service at the Mid-Western Regional Hospital and our other acute hospitals?”*

**For Circulation/**
